## INSURANCE

- Following confirmation of my admission, I shall be taking out insurance with an insurance company of my choice for cover complying with that defined under INSURANCE in the General Regulations and the Event's Special Regulations received with this admission application. Cover will be for third-party liability and exhibition all-risks. I shall send a certificate of insurance, on a mandatory basis, to DESTINATION NANCY, at the latest by May 5th 2024. If I fail to provide a certificate complying with the provisions set out above or fail to supply it within the time limit, I authorize DESTINATION NANCY to take out insurance on my behalf and at my cost with an insurance company of its choice complying with the required cover. I undertake to pay for all of the services invoiced by DESTINATION NANCY at the latest by the day before the event opens to the public.

## PARKING AREAS

This parking place give you the right to park, not to security. Only the exhibitor's vehicle insurance covers theft, windscreen breakage etc., in the event of taking out the cover provided for. Caravans and camping cars are prohibited from parking. Access to PMR parking places is limited solely to vehicles supplied with regulatory stickers. Photocopies affixed behind the windscreen are not acceptable and vehicles in contravention will be impounded.

## ELECTRICITY

In compliance with regulations, each stand is to be equipped with a fuse box with protection switch and emergency cut-off. This fuse box should be correct for the power that you have required. All fuse boxes should be accessible to technicians. Checks will be carried out on each stand. In the event of seals broken on the fuse box and where it is found that power supply greater than that

ordered has been connected, the electricity will be cut until payment for the fee for the necessary power has been paid, increased by 50%. Please supply a dimensionned plan if there is a special placement required for your electrical box.

## HYGIENE FOR STANDS SELLING FOOD PRODUCTS

Tasting stands and those for the trade of food products may not be operated if they are not equipped with a sink with running water, continuous electricity supply for refrigerators and washable plasticized flooring.

## DISTRIBUTION OF DRINKING WATER AND THE EVACUATION OF WASTEWATER

Supply: PVC Ø 15/18 mm with a faucet or stopcock at the end. Evacuation: supply and fixing on site from drainage inspection points in PVC Ø 30 mm pipe. Please supply a dimensionned plan if there is a special placement required for your water supply system. Hot water heater: it is mandatory that all equipment connected to the water network has a hydraulic safety system or an anti-return system avoiding heating of incoming cold water upstream of the connection.

bound to take out personal insurance for themselves, their staff and any person acting on the their behalf at the fair, covering third-party liability and property damage and loss. This is to be taken out by the exhibitors at their own cost with their own insurers or with the insurer approved by the organisers. Cover is for the whole calendar period from the start of the setup phase until the end of dismantling the fair. Exhibitors are to provide proof, upon confirmation of the admission and at the latest 21 (twenty one) days before the first set up date, by producing an insurance certificate cover for the values defined for the types of liability under the INSURANCE section of the Fair's Special Regulations. The organisers will not be liable, in particular in the event of loss, theft or damage.
